Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>All courses of the Institute have a well-structured curriculum with stipulated time dedicated for each of the modules. This ensures that sufficient time is devoted to the respective topics by the faculty members. The shift in the teaching scenario from offline face-to-face mode to the virtual, online mode during the pandemic has encouraged the institute to take novel measures to attain academic flexibility and reach out to the students in best ways possible. The Institute uses different portals and platforms for effective curriculum delivery. These include cloud-based software such as Google classroom, Zoom class, Google meet to conduct lectures, and applications like Google forms, Exam.net, Mtest for tests and evaluation.</p> <p>Along with the online delivery of lectures, students are regularly provided with online study material including notes, e-books, videos, demonstration of practical and training sessions to improve their competency. Assignments are given and evaluated at regular periods after completion of a particular module. Timely tests and examinations are conducted without delay as per the University approved academic calendar.</p> <p>A particularly challenging scenario arose in the Department of Forensic Biology due to the shortage of faculty members. Usually, this issue is dealt with by appointing teachers on clock hour basis. However, in this particular year, there was limited availability of candidates for the post of teaching on clock hour basis. In order to overcome this challenge and to ensure that the syllabus is completed before the end of term, the institute appointed guest faculty in the subject of Forensic Biology from its sister institute in Nagpur. The guest faculty conducted lecture sessions for the students in various modules on online platforms, ensuring timely completion of the syllabus, and thus keeping the best interests of the students as a priority.</p> <p>In this way, the Institute prioritises curriculum delivery of the offered courses and programmes to the pupils in an effective and a well-timed manner.</p>		
3. The period of delay in completion of syllabus (in months).	0		
4. The period of delay in conducting exams (in months).	0
